

# 90" Rearing Bronze Horse Pair

MODEL BS-1818 / BRONZE

This pair of large, rearing horse statues, cast in premium bronze using the traditional lost-wax method, captures a dramatic, high-energy scene suitable for a grand entryway, ranch, or public plaza. Each horse, standing at an impressive, monumental height, is frozen in a powerful, upward motion, with weight balanced on the hind legs and front legs pawing the air. \*\*\* Features Granite Pedestals \*\*\*
