

Onyx Sphere Fountain

MODEL MF-1573 / HAND-CRAFTED WHITE ONYX

This amazing fountain features two tones of natural onyx. Water bubbles out of the central sphere. The hollow sphere and thin white onyx cylindrical pieces all allow for translucent light to shine through making this an amazing light feature as well.

WHITE ONYX: *Onyx is usually cut into cabochons and beads, where it is mostly used in bracelets, necklaces, earrings, and rings.*

DIMENSIONS

38" W x 39" H x 38" D
