

Wall Fountain with Classical Shell Motif in Vratza Limestone

MODEL MF-2461 / HAND-CRAFTED FRENCH LIMESTONE

Hand-carved Vratza limestone wall fountain featuring a classical shell motif crowned by scrolled acanthus leaves. The scalloped basin flows from a central spout, framed by architectural moldings and a pediment with rosette details. Brings the romance of European courtyard fountains to private gardens and loggias.

FRENCH LIMESTONE: *French Limestone.*
