

Contemporary Classic Mantel in Vratza Limestone

MODEL MFP-2721 / HAND-CRAFTED FRENCH LIMESTONE

A hand-crafted fireplace mantel in pale French limestone, featuring a clean-lined surround with gently curved pilaster legs, a stepped frieze, and a flat shelf with molded cornice. The stone is hand-carved to a smooth honed finish, showing the fine, even grain characteristic of French limestone. At 63.75 inches wide and 61.25 inches tall, it suits a standard firebox opening in a living room, study, or master suite.

FRENCH LIMESTONE: *French Limestone.*
