

Bevel Edge Modern Mantel in Italian Arabascato Marble

MODEL MFP-2729 / HAND-CRAFTED ARABASCATO MARBLE

Bevel edge modern fireplace mantel in Italian Arabascato marble. The clean-lined surround features a distinctive beveled frame that creates subtle shadow lines along its geometric profile. Its refined minimalist form suits contemporary interiors while the natural veining adds organic warmth. Hearth & filler slabs available sold separately.

ARABASCATO: *Stunning white marble with muted gray marble striations.*
