

Bikini Female Figure in Statuary Marble

MODEL MS-368 / HAND-CRAFTED STATUARY WHITE MARBLE

The sculptor captures fluid motion as the figure stretches back, one arm raised while smooth planes of polished marble contrast with finely textured hair and a delicate side-tie ribbon. Balanced on a low plinth, the piece delivers sensual elegance and modernist purity to courtyards, spa areas or gallery settings.

STATUARY WHITE: *Ideal for classical statues, fountains, and other master works, the pristine appearance of Statuary White makes it a phenomenal material for displaying artistic beauty or intricate detail.*
