

Stainless Steel Four Dolphins Statue, Polished, 31 in.

MODEL SS-109 / STAINLESS STEEL

Four dolphins in mirror-polished stainless steel rise in a spiraling composition from a domed sphere base, with the topmost dolphin balancing a polished ball. The figures are cast and brought to a high mirror sheen, creating strong reflective contrast across the interlocked forms. At 31 inches tall, the piece works well on a console, pedestal, or entry table where interior light can animate the reflective surface.
